Over 100 Years of Excellence

Hirsh Industries LLC manufactures and supplies filing, storage, and organization products for personal and commercial use.

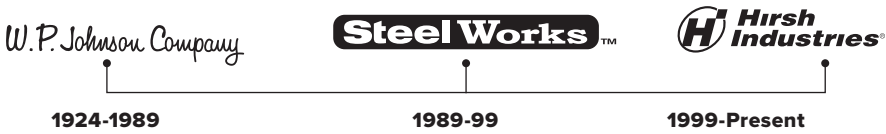

Current product categories include commercial grade vertical, lateral, and pedestal file cabinets, small office/home office file cabinets, free standing storage shelving units, filing accessories, and more.

We pride ourselves on providing quality products that represent outstanding value to end-users, supply chain excellence, and world class customer service.

Corporate headquarters are located in West Des Moines, Iowa with state of the art manufacturing facilities in Dover, Delaware and Mexicali, Mexico.

A LONG HISTORY

Hirsh Industries has operated continuously since 1924, when it began as the W.P. Johnson Company which specialized in metal fabrication. In 1989 the company changed its name to SteelWorks and continued to grow as the leader in filing products.

In 1999 the company took on the name Hirsh Industries as the primary product lines expanded to include commercial grade filing and shelving items, along with a broader assortment of small and home office file cabinets.

Industry Expertise

A legacy of service and a team of people who understand the industry.

Premium Features

Designs engineered to boost your organization and productivity.

Unmatched Value

Practical solutions with the features you desire at competitive prices.

Quality Construction

Durable desking and storage solutions built for high-volume, daily use.

Reliable Service

Commitment to providing quality customer service every step of the way.

Innovative Solutions

A broad line of products designed to serve evolving business needs.

DESKING

The family of Hirsh desking systems have been designed to fit seamlessly into any facility, including businesses, government, administrative offices and classrooms. Steel metal desks are a heavy duty solution that will withstand long-term every day use.

FILING CABINETS

Hirsh's wide range of commercial grade filing products offer premium features and unmatched value. With added functionality and ergonomic design, Hirsh files are durable products made for high-volume, daily use and welcome additions to any office.

SHELVING & STORAGE

Durable shelving and storage for home, office, industrial, commercial, or storage environments. Versatile open shelving makes it useful for numerous home and office applications. Steel storage, wardrobe, and janitorial cabinets provide durable concealed storage.

MOBILE CARTS

Efficient mobile storage and transportation solutions to keep your office or classroom organized. Easily move books, catalogs, and reference materials with single- or double-sided book carts. Utility carts offer ample, mobile storage, perfect for offices, schools, stockrooms, or manufacturing floors.

Our Commitment to Sustainability and Going Green

Hirsh Industries, LLC. makes every effort to operate our business in an environmentally responsible manner.

We are committed to comply with all applicable environmental laws and regulations, and recognize that reducing the environmental impact of our products and operations is an important part of the value we deliver to our customers. We strive to achieve environmental excellence and work with our employees, customers, partners and suppliers to meet the environmental commitments summarized below.

- Promote relevant "Green" initiatives by way of our employees, strategic partners and suppliers.
- Be guided by the principle of continuous improvement of environmental performance.
- Train employees on our policy and instill environmental responsibility as a corporate value.
- Comply with applicable environmental laws and regulations and operate our facility with all necessary environmental permits, approvals, and operational controls.
- Strive to buy, sell and use environmentally friendly products whenever the market place allows.
- Design our products to be safe to use and to minimize their environmental impact while meeting all applicable U.S. and international government environmental standards and regulations.
- Continuously review our Environmental "Green" Statement and ensure it remains appropriate to the nature, scale and environmental impacts of our activities, products, and services.

A SUSTAINABLE FUTURE THROUGH GREEN INNOVATION

Our mission is to champion sustainability by designing and implementing eco-friendly solutions that minimize environmental impact. We are dedicated to advancing green technologies and practices across all aspects of our operations, from resource management to product development.

ENERGY

Hirsh Industries aims to have 5% renewable electricity from Scope 2 emissions by 2040.

SUSTAINABLE

50% of Hirsh Industries commercial grade products use non-EPS packaging.

TRANSPORTATION

Hirsh Industries aims to reduce 75,000 miles of road transport by 2027.

RENEWABLE

Beginning in 2022 our corporate headquarters purchased 100% renewable electricity.

PACKAGING

Plastic packaging mass was reduced by 60% in 2023 compared to 2021 for one of our largest retail customers.

RECYCLED

Hirsh Industries steel products are made with recycled content wherever possible.

Holden Open Desking System

Modular designs that maximize versatility & adaptability.

Office layouts aren't one-size-fits-all. With Holden Open Desking, you can design an open office environment that supports both individual tasks and collaborative work, adaptable as your business grows.

Combine various components to create an appealing and functional workspace with flexible storage options customized to meet your unique organizational needs.

This flexible design allows you to configure workspace solutions that support both individual focus and teamwork. Holden desks can be easily set up for left-handed or right-handed applications.

Flexible Configurations

Open desks are designed to be flexible, allowing you to rearrange and configure them to fit your needs

Clean & Easy Assembly

Pre-drilled grommets hide cords from view. Pre-installed cross braces with pre-drilled holes make assembly simple.

Individual & Team Setups

Configure a workspace that supports a variety of individual, shared and team work environments.

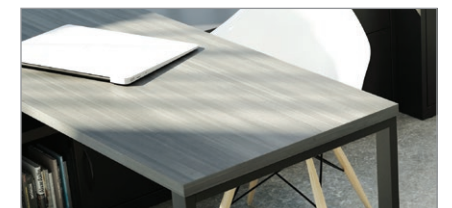

Integrated Storage Solutions

A variety of storage options keep your primary work surface clutter-free while materials remain within easy reach.

Premium Construction

Durable steel storage components and O-Legs combine with laminate work surfaces to create a premium desking solution.

Easy to Clean and Disinfect

Durable steel construction with non-porous surface is easy to clean and disinfect

Open Desk - Work Surfaces

Classic Pedestal Desks

Designs that stand the test of time for any application.

The Hirsh pedestal desk line offers a timeless design, making it an ideal choice for business, government, industrial, and education settings. Each desk is meticulously constructed from high-quality steel, ensuring long-lasting durability and stability for years of reliable use.

Pedestal desks are available in a variety of finishes, allowing you to choose the perfect match for your space. No matter the space you're outfitting, these desks provide a dependable and visually appealing solution that supports productivity and enhances the overall work environment.

Core-Removable Locks
Core-removable locks allow for simple replacement of existing locks with keyed-alike locks in all of your Hirsh furniture.

Full-Extension Drawers
All file and box drawers fully extend, making possessions easily accessible. All desks (except returns) include one pencil tray.

Premium Construction
These heavy-duty desks feature steel construction with laminate worksurfaces and are suitable for heavy use.

Cord Management
Grommet holes provide easy access to wall outlets and hide your cords from view.

Easy to Clean and Disinfect
Durable steel construction and laminate with non-porous surface is easy to clean and disinfect.

Legs with Leveling Guides
Full-height end panels feature leveling glides which make it simple to adjust the desk for uneven surfaces.

Single & Double Pedestal Desks

Features

- Precision ball-bearing suspension
- Box and file drawers feature full extension slides
- Core removable lock
- Central lock system on single and double pedestal desks
- Return desks are non-locking
- 1 1/8" thick durable laminate worksurface
- Color matched legs include leveling glides
- Attachment of legs required, hardware included
- Grommet holes in desk top for cord management
- Durable steel construction with non-porous surface is easy to clean and disinfect

Standards & Certifications

Education & Teacher's Desks

Specialty Desks Designed for Education & Classrooms

Hirsh Teacher's Desks cater to contemporary classroom needs, offering both stationary and mobile versions.

These desks feature robust laminate T-Mold worktops with rounded corners for safety. The drawers come with locks to safeguard supplies and materials.

The T-Leg Teacher's Desk design not only lends a sleek, contemporary look but also offers unparalleled ease in rearranging your space to fit any teaching style or classroom layout. The work surface is finished with a T-mold edge, ensuring a safer environment for students and educators.

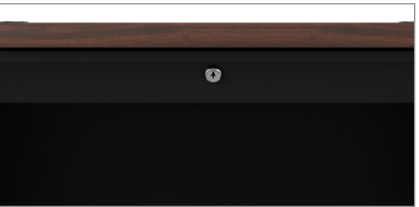

Mobile & Non-Mobile Options

Teacher's desks are available with or without casters. Mobile desks include four industrial casters, two locking.

Cord Management

Grommet holes provide easy access to wall outlets and hide your cords from view.

Core-Removable Lock

Core-removable locks allow for simple replacement of existing locks with keyed-alike locks in all of your Hirsh furniture.

Laminate T-Mold Work Surface

The durable laminate T-mold work surface has rounded corners for safety.

Full Extension Drawers

Traditional mobile and non-mobile teacher's desks have full extension drawers.

Easy to Clean and Disinfect

Durable steel construction with non-porous surface is easy to clean and disinfect.

Secure Storage

Maximize an empty corner with the addition of a Lateral file cabinet. The locking drawers will secure electronics and fragile items when not in use.

Easy Mobility

Utility and Book Carts allow classroom supplies to be moved from location to location with ease.

Desks Designed For Teachers

Add flexibility to the classroom with the modern T-Leg Teacher's Desk that is easy to roll around the room whenever it's time to reconfigure the space.

Space To Collaborate

Foster a collaborative learning environment by grouping mobile T-Leg Tables into clusters.

ENDLESS STORAGE POSSIBILITIES

From classrooms and makerspaces to storage rooms and staff offices, versatile desking and storage solutions are important in every area of a school. Design a space with plenty of storage to keep equipment and supplies neat and organized using Hirsh commercial-grade products engineered to withstand heavy daily use.

Easy to Clean

Durable, non-porous surface is easy to clean and disinfect.

Modular Desks

A Desk Solution That Offers Multiple Configuration Options

A flexible, freestanding desk solution that offers multiple configuration options to fit an array of workspace needs.

The Hirsh modular desk line offers a professional solution for the changing needs of business, government and education offices. Arriving as fully assembled modular sections, full desks can be configured in various ways to match office space or to accommodate particular job needs.

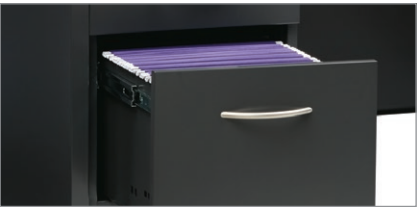

They deliver superior value through steel construction, durable components and their ability to be reconfigured to meet changing business needs.

Full-Height End Panels
Full-height end panels feature leveling glides which make it simple to adjust the desk for uneven surfaces.

Full-Extension Drawers
All file and box drawers fully extend, making possessions easily accessible. All desks (except returns) include one pencil tray.

Premium Construction
This modular desk line is constructed of long-lasting, high-quality steel, laminate worksurface and durable components.

Cord Management
Grommet holes provide easy access to wall outlets and hide your cords from view.

Precision Ball-Bearing Suspension
Drawers open and close smoothly due to their precision ball-bearing suspension design.

Core-Removable Locks
Core-removable locks allow for simple replacement of existing locks with keyed-alike locks in all of your Hirsh brand furniture.

Lateral File Cabinets

Add storage and functionality with **Lateral File Cabinets**

Hirsh file cabinets are the unsung heroes of the workplace, providing ample storage space to keep paper clutter at bay. Rid your desk of paper piles and give your documents a proper home inside lateral file cabinets, which can accommodate both letter- and legal-size hanging files.

Our lateral file cabinets are engineered to withstand everyday use, making them an excellent organizational solution for your business.

Precision Ball-Bearing Suspension

Drawers open and close smoothly due to their precision ball-bearing suspension design.

Interlock System

All lateral file cabinets include an interlock system that allows only one drawer to open at a time, preventing tipping.

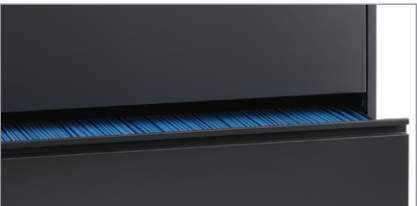

Adjustable Leveling Guides

The included leveling guides allow for adjustment on uneven surfaces.

Core-Removable Lock

Core-removable locks allow for simple replacement of existing locks with keyed-alike locks in all of your Hirsh file cabinets.

Included Hang Rails

File hang rails are included in all lateral file cabinets so they are equipped to store hanging files.

Easy to Clean and Disinfect

Durable, fully assembled steel construction with non-porous surface is easy to clean and disinfect

HL10000 Series® Lateral Files

Utility Shelving

Durable Shelving for Home, Office, Industrial or Commercial

Steel shelving units offer ample storage space for shops, utility rooms, storerooms and anywhere you have organizing needs in your business.

The open shelf design allows for easy access to shelf contents from any angle. These units are built to last with sturdy riveted steel construction. Assembles quickly as a vertical shelving unit or horizontal workbench using a rubber mallet.

Multipurpose Storage Solutions

The versatility of open shelving makes it useful for numerous home and office applications.

Flexible Configurations

Shelving may be assembled vertically as a shelf or horizontally as a workbench.

Quality Steel Construction

This quality shelving offers a practical storage solution complemented by long-lasting, high-quality steel construction.

Durable and Built to Last

Constructed of riveted steel, Hirsh shelving units are sturdy and built to last.

Simple Assembly

The boltless design makes assembly easy using a rubber mallet.

Selection of Sizes

Hirsh shelving is available in a variety of sizes and weight capacities that suit many spaces and organizing needs.

1000 Series Riveted Shelving

Features

- 12" deep units fit almost anywhere
- Riveted steel construction

Book Carts & Utility Carts

Mobile Storage and Transportation to Keep You Organized

Move books, catalogs and reference materials around the classroom and office with ease using single- and double-sided book carts.

Heavy duty Utility Carts provide spacious, mobile storage ideal for offices, schools, stockrooms or the manufacturing floor. Transport supplies with ease on these multipurpose carts.

Mobile Bin Units help design a workspace with plenty of storage to keep equipment and supplies neat and organized. Pull-out bins allow users to transport the tools they need to the place where work happens.

Locking Industrial Casters
Industrial strength casters ensure easy movement while enabling you to lock the cart in place.

Multipurpose Storage Solution
The versatility of mobile carts makes them useful for numerous business applications.

Multiple Shelves for Storage
Utility carts feature two spacious shelves while book carts are available in both three- and six-shelf options.

Easy to Clean and Disinfect
Durable steel construction with non-porous surface is easy to clean and disinfect.

Smooth Rounded Handles
Smooth, rounded handles provide a comfortable grip and make the carts easy to maneuver.

Durable Steel Construction
Carts offer a practical storage solution complemented by long-lasting, high-quality steel construction.

Utility Carts

Features

- Ideal for offices, schools, stockrooms or the manufacturing floor, this cart is ready for duty
- Two shelves offer a convenient work surface and spacious storage
- Shelves feature a 3.25 lip on all sides
- Total weight capacity of 400lbs
- Industrial strength casters, two locking
- Constructed of durable steel
- Contains up to 30% recycled material

Standards & Certifications

- Limited Lifetime Warranty

COLOR MATCH PAINT PROGRAM

Match your existing office pieces seamlessly with Hirsh’s all new color matching powder paint program. Hirsh’s premium quality commercial products are now available to order in over fifty current industry standard colors.

Each color selection is broken down into three tiers and new colors will be added on an on-going basis. The full list of current colors is available for viewing on the Hirsh website.

Hirsh Core Colors

If a product is not listed in the Hirsh pricer (available online) as part of the Quick Ship program, it can be made in any Hirsh core color under the Tier 2 program. Core Colors can be Tier 1 or Tier 2 based on QuickShip program status. **See individual pricers for details.**

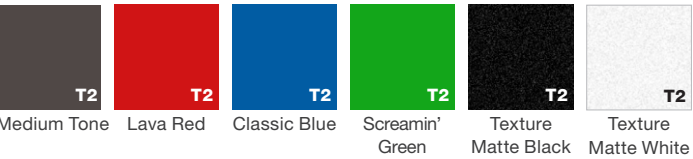

TIER 1 QuickShip Program for Hirsh core colors. See pricer for availability.

TIER 2 Mid-range industry colors. 3-4 week lead time from receipt and acknowledgment of order.

TIER 3 Premium industry colors. 3-4 week lead time from receipt and acknowledgment of order.

Hirsh Special Order Colors

Special Order Colors are available for any product included in the Color Match Paint Program selection.

LIMITED LIFETIME WARRANTY

Hirsh Industries, LLC (Hirsh) warrants, to the original purchasers of its Products only, that the Products will be free from defects in material and workmanship for as long as the original purchaser owns and possesses th e Products. Subject to the terms and conditions of this Limited Lifetime Warranty, Hirsh will, at its option, repair or replace any Hirsh Product that is shown, in normal use, to be defective in material or workmanship.

EXCEPTIONS AND LIMITATIONS TO THE LIFETIME WARRANTY

12 Years - Laminated surfaces, casters
5 Years - Seating textiles

EXCLUSIONS

This Limited Lifetime Warranty does not cover:

- Defects or damage due to accident, abuse, misuse, unauthorized repair, extreme environmental condition or failure to use the
- Products for the purpose and under conditions for which they were intended
- Variations in color, color-fastness, or texture of materials
- Normal wear and tear attributable to use of the Products
- Products not installed or used in compliance with Hirsh instructions, recommendations, or warnings, including failure to follow Hirsh care and cleaning instructions
- Damage attributable to accessories, attachments, modifications or alterations not authorized or recommended by Hirsh
- Damage resulting from shipment or handling, other than damage attributable to shipping and handling by a carrier selected by Hirsh
- Products sold or used outside the United States, United States territories and Canada

LIMITATIONS

Unless otherwise provided by applicable law, Hirsh’s liability and obligation, if any, for any defective Product shall be limited to repair or replacement of the Product, at Hirsh’s option, and Hirsh shall not be liable for any damages, whether direct, indirect, incidental, consequential, special or otherwise (including, without limitation, damages for inconvenience or loss of use, revenue, profits or data) because of Products defects. Hirsh will be responsible for its own, or its service contractor’s, labor and material expenses required to repair a Product under warranty, but will not be responsible for any labor charges resulting from the installation or removal of the existing or replacement Product.

EXCEPT AS STATED HEREIN, HIRSH MAKES NO OTHER EXPRESS WARRANTY.

The following statement applies to Products used in commercial/ institutional applications only: ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED.

The following statements apply to Products used in consumer applications only: ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE LENGTH OF THIS WARRANTY. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state or jurisdiction to jurisdiction. Hirsh neither makes or assumes and does not authorize any other person, including any dealer of Hirsh Products, to make or assume any obligation or liability in connection with any of its Products other than as covered by this Limited Lifetime Warranty.

OBTAINING WARRANTY SERVICE

To obtain service under this Limited Lifetime Warranty, the original purchaser must do the following:

- Within 30 days after discovery of the defect, contact the dealer from whom the Product was purchased.
- Provide verification satisfactory to the dealer and Hirsh that the warranty claim is being made by the original purchaser of the Product.
- Return or, if requested, permit inspection of, the Product.
- Provide proof satisfactory to the dealer and Hirsh of the date of purchase, if the warranty claim is for Laminated Surfaces or Textiles.

After review of all pertinent information, the dealer will contact Hirsh. Hirsh will determine the application of this Limited Lifetime Warranty to the defect and determine whether to repair or replace the defective Product. All shipping costs of defective Products to Hirsh or its distributors, dealers or contractors are the responsibility of the original purchaser. If the Product returned is found to be covered by this Limited Lifetime Warranty, return shipping charges for Products or components under warranty will be paid by Hirsh. These conditions of sale supersede all previous selling policies. Prices, discounts, lead times, and product offerings are subject to change without notice. Please refer to www.hirshoffice.com/resources/library for current pricing.

ORDER PLACEMENT

Hirsh Industries requires that all orders be submitted in writing to avoid errors and/or duplication. Orders may be sent through EDI or to CSteam@hirshindustries.com. All orders will be confirmed via acknowledgment. It is the dealer’s responsibility to review the confirmation to insure order accuracy.

Laminate, paint, and fabric colors may be viewed at www.hirshoffice.com or www.myresourcelibrary.com. You may also contact salesupport@hirshindustries.com to request samples.

Hirsh Industries will not be held responsible for extra costs due to errors resulting in purchase order inaccuracies. If a discrepancy is detected on the purchase order or acknowledgment, all corrections must be received in writing before further order processing can occur. All purchase orders placed are strictly for shipping within the continental United States.

- Refer to the individual pricer for each shipping location.
- Price Book & Specification Guide, FOB Calxico, CA
 - Price Book & Specification Guide, FOB Dover, DE

QUICK-SHIP PROGRAM

All listed items are normally in stock and will quick-ship within five business days of receiving a finalized order. Quick-ship orders are subject to inventory levels and credit approval.

Contact the Hirsh Customer Care Team at csteam@hirshindutsries.com or 800-383-7414 to confirm inventory availability prior to placing an order. Items excluded from the Quick-Ship Program are noted within the price book. All standard terms and conditions apply.

LEAD TIME AND SHIPPING TERMS

Lead-times are measured in working days and will not commence until purchase order is entered into our system. We are not responsible for delays caused by order discrepancies. Order entry typically takes 2-3 days for order processing and preparation of your shipment. Hirsh Industries ships Monday-Friday, excluding holidays. Transit times will vary based on final destination. All products ship via select common carrier with shipping terms as FOB Destination prepaid by Hirsh Industries. This includes dock-to-dock of a single shipment to a single location within the 48 contiguous states. Hirsh Industries cannot guarantee exact time of delivery.

Contact your local Hirsh Sales Representative or salesupport@hirshindustries.com for your specific Terms and Conditions.

SPECIAL SHIPPING INSTRUCTIONS

Hirsh Industries will accommodate special shipping/delivery requests whenever possible. Purchaser will be responsible for any and all extra costs incurred by reason of Hirsh Industries complying with a special request. Contact salesupport@hirshindustries.com for a quote on any special services or handling requirements.

- Lift gate/tailgate
- Inside delivery
- Inside delivery is defined as when carrier moves all or part of a shipment to a position beyond the point directly accessible or immediately adjacent to the delivery vehicle.
- In the event that inside delivery and/or lift gate/tailgate are unforeseen, but required to complete the delivery, both the dealer and Hirsh Industries must agree to these services and subsequent invoicing by Hirsh Industries of the charges described above.
- Expediting, re-consignment, re-delivery, delays causing carrier storage
- Delivery times outside of normal business hours including weekends
- Exact, narrow scheduling window (elevator time)
- Non-commercial/residential deliveries
- Extra labor, driver assist, high cost/remote region delivery. The maximum amount of time allowed for off-loading products is 3 hours. Any additional charges associated with extra delivery time or failure to accept a shipment as agreed upon will be the responsibility of the purchaser. Please use caution when planning and communicating delivery requirements so that excessive fees will not be necessary.

FREIGHT DAMAGE CLAIMS

Hirsh Industries’ terms are FOB Destination. Hirsh Industries is not responsible for damage that occurs in transit. All Hirsh Industries’ products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order. It is the buyer’s responsibility to inspect goods upon receipt for both apparent and concealed damage. In the instance that damage is found, we ask the purchaser to refuse the damaged portion of the shipment. In the case of documented shipping damage, Hirsh Industries will file a claim with the carrier and issue at no charge any replacement parts or products only if the purchaser meets the following conditions:

- Product is shipped via the Hirsh Industries designated carrier
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Hirsh Industries Customer Service immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Hirsh Industries from obtaining carrier reimbursement and thereby require us to charge full price for product replacement. In the case of concealed damage (damage discovered after acceptance with no bill of lading documentation), Hirsh Industries should be notified immediately upon discovery by calling 1-800-383-7414. Please retain all packaging to allow carrier to inspect. Hirsh Industries liability ceases 15 calendar days after receipt of shipment. Hirsh Industries will investigate on a case-by-case basis and assumes no liability beyond the stated 15 calendar days. If the purchaser specifies their own carrier, they assume full responsibility for any freight claims and replacement orders will be sent out at a charge. The purchaser may make NO deductions under any circumstances ensuing from freight claims when settling invoices with Hirsh Industries.

CLAIM POLICY

It is the purchaser’s responsibility to examine goods upon receipt and to notify Hirsh Industries Customer Service with any concerns. Any claims against Hirsh Industries for apparent defects, errors, or

shortages must be made by the purchaser within 15 calendar days after delivery. Failure by the purchaser to make any claim within 15 calendar days will constitute acceptance of the goods and relinquish any apparent defects, errors, or shortages.

CANCELLATIONS, RETURNS, AND RESTOCKING

CANCELLATIONS: Hirsh Industries must receive a 48-hour notice on all cancellations. Method of cancellation email CSteam@hirshindustries.com or EDI. Customer Service will notify customer when cancellation cannot be accepted. If the purchase order has already been loaded on the truck or shipped, it cannot be canceled.

RETURNS: Any product returned to Hirsh Industries, the following process applies.

1. Contact the Credit Department at Credit.Department@hirshindustries.com with the following information:
a. Customer Name, Location, Phone Number, and P.O. Number
2. Credit will contact with disposition:
a. Destroy, or RA# to return product
b. If product is returned the RA# must be on each product -- if not product will be refused.
c. Customer pays freight for all returns

RESTOCKING: Hirsh Industries charges a 25% restocking fee on returned product. The 25% restocking fee will be deducted from RA.

PAYMENT TERMS

Orders are invoiced at the time of shipment and payment is due at NET30 upon receipt of invoice. Past due accounts are subject to interest at the maximum rate permitted by law. All prices are effective February 1, 2020 and are subject to change without notice.

Remit to:
