

Built to Last: Heavy-Duty Filing Designed for Any Environment

Hirsh vertical, lateral, and pedestal file cabinets are designed to blend seamlessly into any workspace while offering the storage capacity and durability you need.

Commercial Grade

Heavy-duty steel pedestal files, vertical files, and lateral file cabinets are made for daily, high-volume use and are welcome additions to any office.

Secure Storage

Locks are included to keep contents of all drawers secure. The core-removable cabinet lock allows cabinets to be keyed alike.

Easy Open

Commercial grade ball-bearing suspension allows fully loaded drawers to open with ease.

Seamless Look

Hirsh file cabinets are available in a wide variety of configurations, sizes, and colors to suit any space or specific need.

Vertical Files

Lateral Files

Mobile Pedestals

Pedestal Files

Mobile pedestal files are available in 19", 20", and 23" depths, and with multiple handle styles and drawer configurations to fit any style.

Vertical Files

Heavy duty vertical files are available in either legal or letter sizes widths, 22", 25", 26.5", and 28" depths, and 2, 3, 4 and 5 drawer models.

Lateral Files

Lateral files provide added functionality and secure storage, making them a welcome addition to any office or facility. Available in 2, 3, 4, and 5 drawer configurations, and 30", 36" and 42" widths.
