PRODUCT CATALOG

Acrimet, tradition since 1972, bringing innovation, quality, and creativity to organization.

Acrimet

Acrimet is a Brazilian company founded in 1972, specializing in the development, manufacturing, and distribution of high-quality organizational products for both corporate and home environments.

Over the years, the company has maintained a continuous commitment to promoting the well-being of its customers through organization. Understanding the importance of a well-structured and orderly environment in boosting productivity and quality of life, Acrimet has expanded its product line to include innovative organizational solutions for the home.

With a diverse range of products, Acrimet has established itself as a market leader. Its attention to detail, sophisticated design, and focus on durability ensure that its products meet the needs and expectations of the most demanding customers.

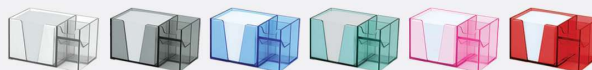

In this way, Acrimet promotes a more organized and efficient lifestyle. With a history marked by excellence and a commitment to customer satisfaction, Acrimet continues to stand out as one of the leading brands in the organizational segment, both in the Brazilian and international markets.
